

PetScreen®

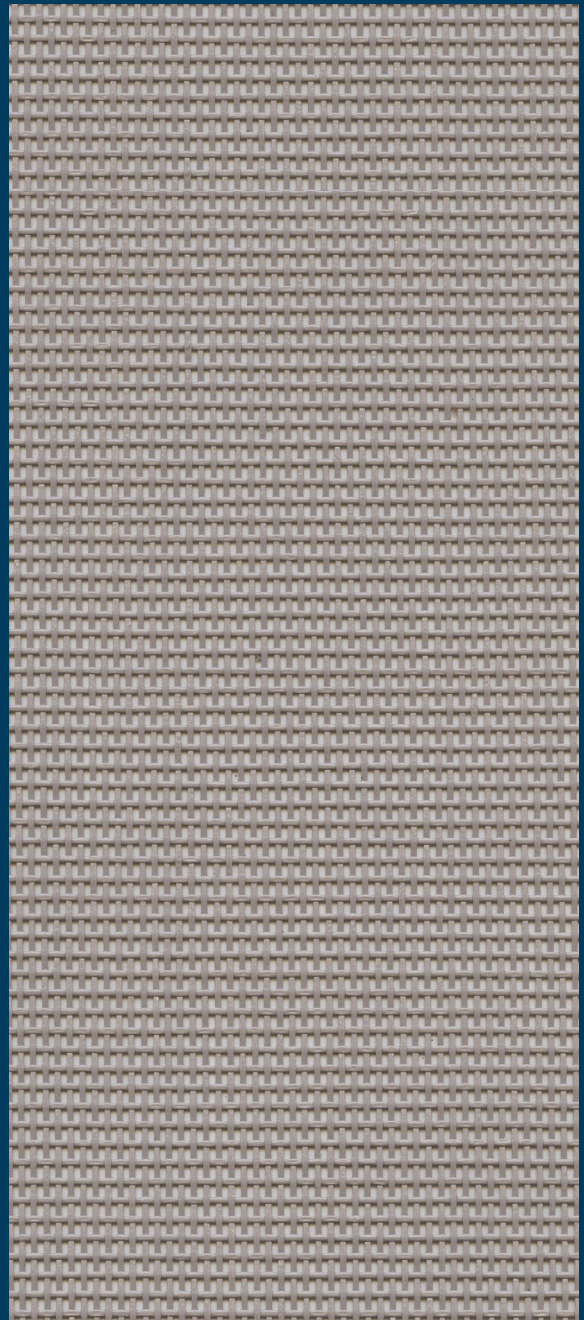

BY PHIFER

PetScreen, vinyl-coated polyester is pet-resistant insect screening that is tear and puncture-resistant to minimize damage by dogs and cats. Ideal for use in high-traffic areas, PetScreen is excellent for use in patio and porch enclosures as well as windows and doors. PetScreen provides good outward visibility and is not harmful to pets.

- Resists damage by pets
- Tear and puncture resistant
- Ideal for use in high-traffic areas
